On 4-19-95 at approx 1700 hrs This Officer, along with Sgt. Karen Willis, relieved agent LuAnn Sandstrom at the Regency Tower, N.W. 5TH and Hudson. Agent Sandstrom was securing a crime scene consisting of a vehicle Axel.

While at this scene I observed security cameras inside the Regency Tower. I noticed that one camera was aimed at N.W. 5TH. I then asked a security guard, for the Regency, if their cameras were recorded and was advised that they were.

This Officer was able to recover the VHS tape of the security cameras from the tape deck located on the first floor of the Regency Tower in the security office. It should be noted that the tape was still recording when I recovered it.

This Officer kept the VHS tape on my person until approx 1715 hrs, when I turned it over to Agent Sandstrom.
