FEDERAL BUREAU OF INVESTIGATION

Date of transcription 5/19/95

On May 18, 1995, JACK MAXWELL OLIPHANT was interviewed at Radio Station 99.7 located on Beale Avenue, Kingman, Arizona. At the onset of the investigation, SA's JARRETT and GONZALEZ contacted OLIPHANT at the radio station. During the initial contact, SA'S JARRETT and GONZALEZ were confronted by two news media representatives, who identified themselves as reporters from the LA TIMES. They advised they were following around JACK OLIPHANT on this date to do a story concerning his activities. They asked for the identities of the two Special Agents, which were denied them. OLIPHANT was then escorted to a location within the radio station and interviewed by SA JARRETT. SA GONZALEZ was asked to step out. SA JARRETT interviewed OLIPHANT alone. OLIPHANT was questioned concerning the recent statement he had made in the ARIZONA REPUBLIC concerning him shooting FBI agents. OLIPHANT replied that the statement in the paper was taken out of context. He advised what he stated during the interview with THE ARIZONA REPUBLIC was that if FBI agents came to his property with guns blazing, that he would also shoot back. OLIPHANT stated that he made no direct statement or intentions to indicate that he wanted to shoot FBI agents.

During the interview of OLIPHANT, the news reporters continued to take photographs of SA JARRETT and OLIPHANT talking. Upon conclusion of the interview with OLIPHANT, as SA's JARRETT and GONZALEZ were leaving the radio station, the reporters continued to attempt to engage SA's JARRETT and GONZALEZ in a conversation. The reporters requested that the SA's provide their names to them, however, this request was denied. The reporters were advised they should contact SA JACK CALLAHAN who is the Media Representative for the FBI, Phoenix Division.

It should be noted that during the entire time that SA's JARRETT and GONZALEZ were at the station, the reporters from THE LA TIMES were taking photographs and attempting to solicit information from either SA JARRETT, SA GONZALEZ, or JACK OLIPHANT concerning this meeting.
