SHAWN ANTHONY KENNY, male white, Date of Birth, June 7, 1972, was reinterviewed regarding his knowledge of RICHARD LEE GUTHRIE, JR., and PETER KEVIN LANGAN.

KENNY had previously stated that in support of GUTHRIE's criminal activities, GUTHRIE, would purchase older model vehicles for cash at used car lots and occasionally store them at the residence of PARKIE SCOTT, who resides just off Interstate I-71, north of Cincinnati.

KENNY was taken to the SCOTT residence and recognized parked in the yard, a vehicle that he believed had been either used by GUTHRIE during, or in the planning of a bank robbery.

KENNY went to visit SCOTT, who was not home at the time, and noted the vehicle identification number of this vehicle, a copper colored Chevrolet station wagon to be: 2GIAL35JXC1105158.

KENNY recalled that when he had joined GUTHRIE and LANGAN in Arkansas when they were planning a robbery, GUTHRIE had informed him that GUTHRIE's brother, name not recalled who had a criminal record and lived in Maryland, was supposed to accompany them on that robbery.

KENNY also recalled that GUTHRIE had told him that he had used a bushy, sandy colored woman's wig and a blue baseball cap during a robbery. KENNY believed that GUTHRIE was referring to a bank robbery.
