4. DETAILS:

This is a 30 day status report in the investigation of the White Aryan Resistance and the violations of federal firearm, explosive and conspiracy laws in both the Northern and Eastern Judicial Districts of Oklahoma.

On June 12 and 13, 1995 this agent met with and documented an informant in Oklahoma City, Ok. He/she is CI-53270-196. CI-196 stated that he/she was an acquaintance of Tom Metzger, national leader of the White Aryan Resistance. CI-196 stated that he/she could infiltrate any member of the militia and W.A.R.

On June 22, 1995 this agent spoke with CI-183 who stated that he/she would be attending school out of state and no longer would be available to work in this investigation.

It is anticipated that CI-196 will assume a role in this investigation as an undercover operative and establish contact with Dennis Mahon and members of Elohim City through his association with Metzger.

This investigation to continue.
