9. DETAILS: This referral is to inform Dallas Division about the disclosure of ATF informant 53270-183 by FBI Special Agent James R. Blanchard II during the OKBOMB investigation. On March 29, 1996 this agent received a telephone call from S/A Harry Eberhardt. S/A Eberhardt stated that the identity of CI 53270-183 had been severely compromised. S/A Eberhardt stated that a report released by FBI agent James R. Blanchard II contained the formal name of CI 53270-183 and enough information to reveal the identity CI 53270-183 without his/her name being used. S/A Eberhardt stated that the report had been given to Timothy McVeigh's defense attorneys during discovery in January 1996. S/A Eberhardt stated that he had attempted to relay this matter to FBI ASAC Jack McCoy, however, ASAC McCoy showed little concern and denied that S/A Blanchard was at fault. S/A Eberhardt stated that he became irate because it was apparent that nothing was going to be done in an effort to rectify the problem or at least provide help for the safety of CI 53270-183. On this same date, this agent immediately telephoned CI 53270-183 and informed him/her that their name had been disclosed and that he/she should take every precaution for their safety. CI 53270-183 stated that he/she was still involved with members of the militia and White Aryan Resistance who know where he/she lives. CI 53270-183 also stated that he/she suspected that they were being followed on several occasions and have had strange telephone calls and visitors. This agent offered to relocate CI 53270-183 temporarily for the weekend, however, he/she stated that they would be in a safe place. This agent told the CI that anything and everything will be done to insure his/her safety.
